*Since 2006, we've provided medical care and found homes for more than 11,000 companion animals.*

Help us build our  
**NEW HOME**

In 2020, during the COVID-19 pandemic, our clinic warehouse was flooded. The ceiling collapsed, there was black mold growth and water service was discontinued.

## Our clinic was HOMELESS.

Our capacity to spay and neuter Red Lake companion animals was cut by 65%.

The Red Lake Animal Wellness Center will offer wellness and neuter/spay clinics, wellness workshops, surrender events, and a companion animal food shelf

### WE NEED YOUR HELP to reach our investment goal.

## An investment of \$300,000 will build the Red Lake Animal Wellness Center.

Our new 2,280 square foot facility will continue the Red Lake Rosie's legacy by serving 1,200 residents and their companion animals annually.

## The steps to our NEW HOME are already underway

March 2021-September 2021  
**CONSTRUCTION**

February 2021  
**LAND USE PERMIT GRANTED**  
by Red Lake Tribal Council

October 2020-March 2021  
**PLANNING**  
By volunteers and RLRR leaders

# Planned GRAND OPENING October 2021
